Introduction

The Privilege Access Swipe System (PASS) allows you exclusive complimentary racecourse access. The system is designed to ensure you can have quick and easy access to racecourses when required. It also helps racecourses to enhance your raceday and pre-arrival experience.

This booklet provides all the information you need for your specific category of PASS. We hope you will find it useful and if you have any questions please don't hesitate to contact The Racecourse Association Limited via the concierge system online or email

info@racecourseassociation.co.uk

Owners

PASS Cards are allocated to each registered owner in line with the Rules of Ownership under the Rules of Racing.

The PASS Card acts as the means of admission to racecourses. All PASS Cards for new owners are validated and sent out automatically. An owner will only be issued with one PASS Card - all additional ownerships will be added onto the existing card.

Sole Owners

Each owner will be allocated one named PASS Card. The PASS Card will provide admission for the registered owner plus complimentary access for guests in line with the badge allowance. In cases where an ownership is registered under a Company/ Business Partnership/Club name then the PASS Card will be issued in that name and it is up to the ownership to allocate a representative.

Joint Owners

Each registered owner will receive one named PASS Card. Each PASS Card will provide admission for that registered owner up to the number specified by the relevant racecourse.

Racing Partnerships

Racing Partnerships will usually have two nominated partners as registered owners. Both of these will receive one named PASS Card.

If the partnership has more than two nominated registered owners then their PASS Card and badge allocation will work the same as for joint owners - three to twelve people, although there can be up to 20 nominated registered partners.

For Racing Partnerships that have more partners than the number of badges allocated, it is the responsibility of the nominated partners to contact the racecourse in advance to apply for additional badges.

ROA/RCA Racecourse Badge Scheme for Owners (RBSO)

The scheme allows ROA Members who are registered owners to gain complimentary access to approximately 1,300 participating race fixtures each year, and is activated on an owners PASS Card. Membership of the Racecourse Badge Scheme for Owners is renewed annually and runs from 1 January to 31 December.

The Racecourse Badge Scheme for Owners is administered by the ROA and all queries should be directed to the ROA office – Telephone: **020 7152 0200** Email: **info@roa.co.uk**

It is available to 5,500 owners on a first-come first-served basis. Only owners with a minimum of 50% of a horse in training or shares in horses amounting to 50% are eligible.

Owners who are accepted into the Badge Scheme will receive a confirmation letter and a copy of the RCA/ROA Racecourse Badge Scheme for Owners Participating Fixtures booklet.

Membership of the Badge Scheme entitles complimentary access to the Racecourse for the member only at participating fixtures. Only owners with runners on the day will have access to Owners and Trainers facilities. Badge Scheme badges cannot be claimed in addition to the standard allocation of badges given to owners with runners on a particular day.

Trainers

Each PASS Card will give admittance for the named card holder only. The trainer's PASS Card is also the identity card required under the Rules of Racing for access to the racecourse stables.

Each trainer is entitled to two PASS Cards - one for themselves and one associated PASS Card for another named individual (i.e. spouse/partner/assistant). The trainer retains responsibility for both cards.

The associated PASS Card has the same status as the trainer's PASS Card, except for access to the racecourse stables.

Some trainers are allocated additional associated PASS Cards depending on the number of horses in training. The NTF can advise on this.

NTF Trainers and their named card holders with metal badges should use those badges for movement within the racecourse.

Non NTF Trainers and their named card holders without metal badges will be given complimentary badges for their movement within the racecourse on a daily basis.

Retired Trainers / NTF Officials

Each PASS Card will give admittance only for the named card holder. Metal RCA/NTF badges will be required for movement within the racecourse.

Jockeys

Licensed jockeys, excluding apprentice/conditional jockeys (see below), are entitled to two PASS Cards. The jockey's PASS Card will give admittance to the jockey only.

The jockey's associated PASS Card can be used by any named individual as specified by the jockey. The jockey retains responsibility for both cards. This associated PASS Card will only admit the named card user, at any course where the jockey is engaged to ride on that day, or when the jockey is present and has swiped their own PASS Card.

Jockeys and their named card user should use their metal badges for movement within the racecourse. If the jockey's named user changes, the PJA must be notified - a new PASS Card will be issued. The named card users may be asked for identification at the racecourse entrance.

Apprentice/Conditional Jockeys

Each licensed apprentice/conditional jockey is entitled to one PASS Card which will give admittance to the named card holder only at all times.

A complimentary badge will be provided for movement within the racecourse.

Retired Jockeys/Retired Jockeys Spouse/Jockeys Agents/PJA Officials

Each PASS Card will give admittance for the named card holder only at all times. The metal PJA/RCA badge will be required for movement within the racecourse.

Amateur Riders

All amateur riders are included on the RCA PASS System for entrance into racecourses when they have an engagement to ride, PASS Cards are not issued.

Extra Badges & Special Arrangements

Some racecourses may offer complimentary badges over and above the standard allocation and individual racecourses can advise on their arrangements. Extra badges are given at the discretion of individual racecourses.

Special arrangements for badges - i.e. leaving badges for collection - must be made direct with the racecourses and this can be done in advance via the concierge system.

If a PASS Card holder is sending a representative they must contact the racecourse directly or use the concierge service to notify them.

Any other requests (e.g. additional badges) should be made direct with the racecourse in advance of the meeting. A list of Racecourse contact numbers is at the back of this booklet. PASS Cards and metal badges are non transferable. Requests for extra badges and special arrangements can only be considered when made in advance with the racecourse – preferably by no later than the day before racing.

Terms and Conditions

Your PASS Card must be kept safe at all times - it is your access to

The racecourse and without it you may not be granted complimentary access when entitled to it.

Your PASS Card is non-transferable and remains the property of the RCA.

Your PASS Card only gives you admission to racecourses in line with the current badging policy which is subject to change.

Restrictions of your PASS Card are as currently advised. You will be notified of any changes.

Additional identification may be required.

Entry to each racecourse is subject to the Terms and Conditions of Entry at that racecourse.

Corporate PASS Card holders must carry company identification or a letter of introduction along with the card in order to gain access.

If you attempt to use your PASS Card in any way other than that for which it is intended, you will be liable for consequences and it may be cancelled or suspended.

If your PASS Card is lost, stolen or damaged please report this through the online concierge service immediately.

The RCA reserves the right to charge for replacement of lost, stolen or damaged cards.

If you change your name or address you must update your details through the concierge service.

Use of your PASS Card may be cancelled or suspended. You will be notified with an explanation if this does happen.

PASS Cards may be re-issued from time to time to take account of alterations to the system.

You should not disclose your PASS Card number to anyone other than the RCA, racecourses, ROA or PASS operators.

PASS Card privileges may be amended from time to time.

Information about you will be held and processed for use with the PASS System. We will only disclose such information when compelled to do so by law and as required by the Data Protection Act 1984.

The RCA reserves the right to alter, amend or add to these conditions at any time.

By using the online concierge portal you agree to its terms and conditions of use.
